The 2004 Macomb County Directory

Photo Selection Process

The photography contest, co-sponsored by Macomb County Clerk/Register of Deeds, Carmella Sabaugh and Community Central Bank. Tom Swain, a resident of Chesterfield Township, won a prize of a \$100 U.S. savings Bond for being chosen as the Grand Prize winner. Swain took the cover photograph of U.S. Senator John F. Kennedy studying before a speech he delivered it in Mount Clemens in 1959.

"Macomb County plays an important role in national politics," said Sabaugh. "U.S. Senator John F. Kennedy's 1959 visit to Mount Clemens shows Macomb County has been important for quite a while."

Photos were to spotlight a past or present United States President or United States Presidential candidate. Macomb County Clerk/Register of Deeds Carmella Sabaugh, Branch Manager Kathy Trombley on behalf of Community Central Bank, and President of Robinson Photography Michael Robinson judged the contest.

The back of the directory features the five finalist's photographs. Each finalist won a \$50 U.S. Savings Bond. They are (clockwise from lower-left corner):

- Sean Gunnery of Richmond Township (Sean Gunnery with President Bill Clinton at Selfridge Air National Guard Base in 1999);
- Dorothy Storz of Macomb Township (George H.W. Bush in St. Clair Shores in 1980);
- Kenneth Sanborn of Macomb Township (Clinton Township Supervisor Kenneth Sanborn, Congressman Robert J. McIntosh, Vice-President Richard Nixon in Mount Clemens in 1960);
- Tom Swain of Chesterfield Township (U.S. Senator John F. Kennedy in Mount Clemens in 1959); and,
- Lori Welsh of Harrison Township (Thomas S. Welsh with President Harry S. Truman in Mount Clemens in 1971).

Dear Friends of Macomb County:

It is my pleasure to provide the 2004 Macomb County Directory. As information changes, updates will be posted on the Internet at <http://www.co.macomb.mi.us/clerksoffice>. My office provides other services including:

- Seniors wanting to know if a caregiver or home-helper has a Macomb County criminal case may find out. A circuit court case index is on the Internet to make it easy to see if cases were filed against a person.
- When refinancing a mortgage or buying a house you may get Macomb County real estate records on the Internet and I was the first Register of Deeds in Michigan to use computerized scanning and indexing.
- There's no need to come to my office to get a form. We have a toll-free fax-on-demand system to provide forms and information. 1-888-99-CLERK. It even works on weekends when the office is closed.
- Military personnel and others needing a copy of a birth certificate or other record can get it quickly without a trip to my office because I was the first county clerk in Michigan to provide overnight delivery. You can also request records via fax and Internet.
- Entrepreneurs starting a business need not drive to my office to find out if the desired business name is already taken because assumed name business registrations are now the Internet. Macomb County businesses were the first to benefit from this service.

Thank you for allowing me to serve as your Clerk/Register of Deeds.

Sincerely,

Carmella Sabaugh

BRIEF HISTORY OF MACOMB COUNTY

Named in honor of General Alexander Macomb, a highly decorated veteran of the War of 1812, Macomb County was formally organized on January 15, 1818 as the third county in the Michigan territory. At that time, it covered a much larger area than it does today. In 1819 and 1820, large portions of the county were removed to form the counties of Oakland, Lapeer, Genesee and St. Clair.

The first Europeans arrived in the area during the 17th century. They included French fur trappers who recognized the richness of the marshes and sought new opportunities for trade. Moravian missionaries established the first organized, non-native settlement in the county in 1782 as a refuge for Christianized Indians driven out of Ohio. They built along the banks of the Clinton River, then known as the Huron River, but were forced to leave four years later by the Chippewa Indians. In the late 1790s, Christian Clemens visited the area, and in March 1800, purchased a distillery considered the first building on the site of the future Mount Clemens. The next year he purchased 500 acres for development. This site, known as High Banks, was platted as the Village of Mount Clemens in 1818, when it was proclaimed the Macomb County Seat.

In the early 1800s, and at least by 1840, settlers moved into the interior of the county, carving out farms from the hardwood forests. The roots of the county villages and townships were established by this time. In addition to the original French and English, later settlers included Germans, Belgians and others who came directly from Europe.

In the 1870s, mineral baths brought international fame to Mount Clemens. Many believed the waters had healing powers. Although the stream still runs beneath the city, interest in the spas died out in the early 20th century. Recently, there has been a reemergence of interest in the mineral baths now being offered at St. Joseph Hospital in Mount Clemens.

Between 1920 and 1930, Macomb County doubled in population, rising from 38,103 to 77,146 persons. Two significant developments spurred this growth – the establishment of Selfridge Field in 1917, and the beginning of the urbanization movement northward from the City of Detroit. During the 1940s and the 1950s the movement from the central city to the suburbs increased. The largest growth occurred between 1950 and 1970, when over 440,000 people were added to Macomb County's population.

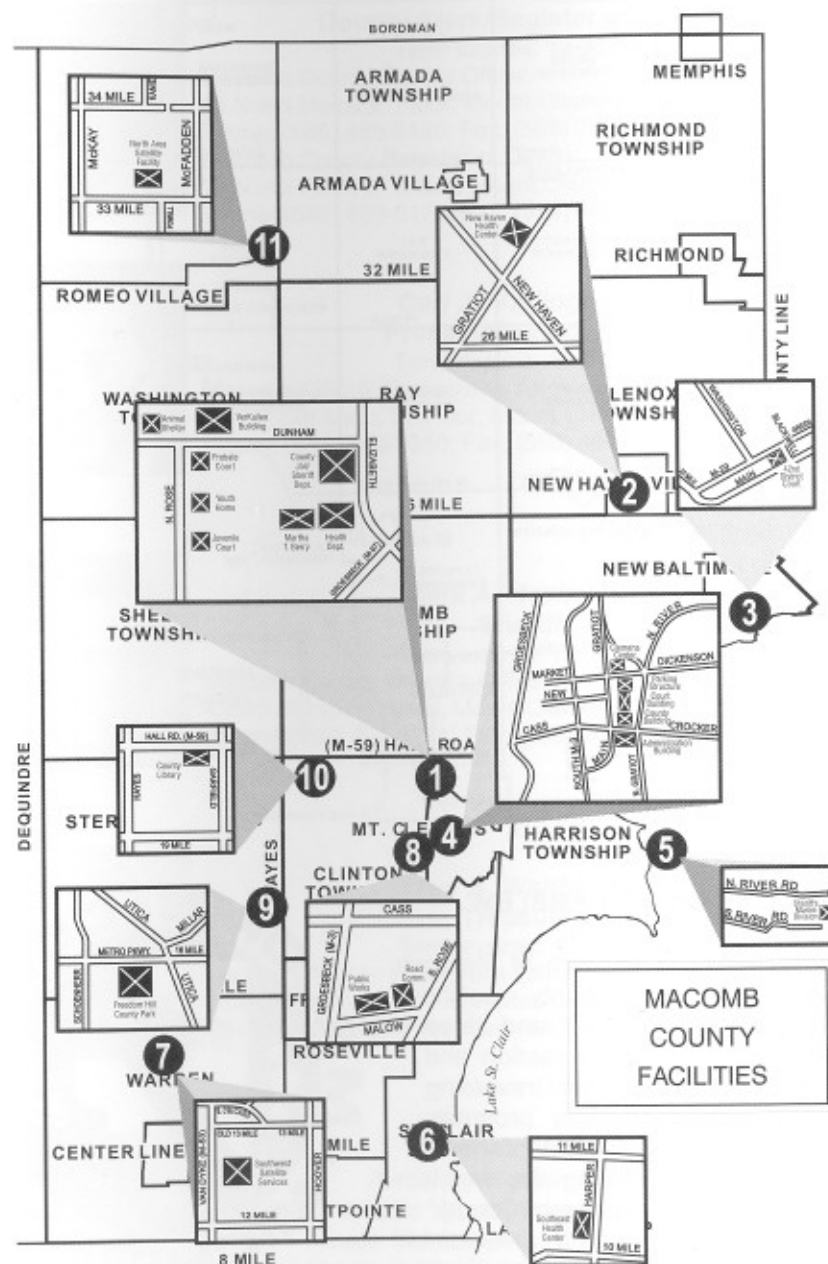

Today, Macomb County encompasses 482 square miles, and ranks third in population in the state, with a 2000 census total of 788,149 persons. The county is recognized as a leader in business and industry, and designated as a "Community of Economic Excellence" by the State of Michigan.

MACOMB COUNTY DISTRICT AND MUNICIPAL COURTS

District Courts have exclusive jurisdiction of all civil litigation up to \$25,000 and also handle garnishments, eviction proceedings, land contract forfeitures, civil infractions, and other proceedings. For criminal cases, the district court conducts preliminary examinations in felony cases and handles all misdemeanors where punishment does not exceed one year in jail including arraignment, sentence, and setting and acceptance of bail. District judges may appoint magistrates. The magistrates may set bail and accept bonds in criminal matters, accept guilty pleas, sentence for traffic, motor carrier, dog, game, snowmobile and boat law violations, and issue arrest and search warrants. Attorney magistrates may hear small claims cases. Magistrates may, at the direction of the Chief Judge, perform other duties allowed by statute.

Municipal Court civil jurisdiction is limited to \$1,500. Its criminal jurisdiction is similar to district court. Municipal judges must be lawyers, residents, and electors of their cities. They are paid by the municipality and are elected for four-year terms as provided by city charter. They are part-time judges and may practice law outside of the courtroom.

Pledge of Allegiance

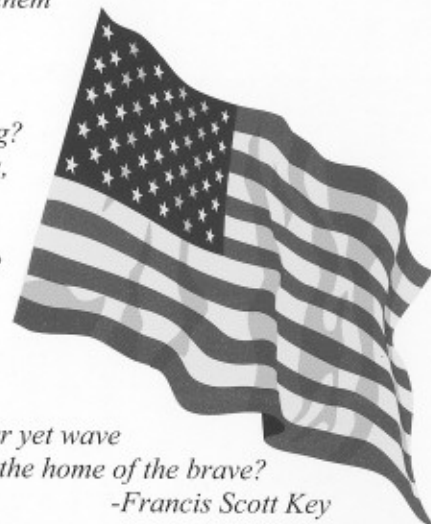

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

The Star Spangled Banner

National Anthem

*Oh, say can you see,
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched,
were so gallantly streaming?
And the rockets' red glare,
the bombs bursting in air,
Gave proof through the night
that our flag was still there.
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?*

-Francis Scott Key

This directory is dedicated to all of the United States military personal serving our country. Their dedication and patriotism of our country is appreciated. May they all remain safe.

Help support deployed service members and visit <http://www.operationmilitarypride.org>. This is a volunteer organization with a wide range of activities-all of which are to boost the morale of our troops deployed overseas. They not only send cards, letters, and care packages, but also will distribute troop names and addresses to patriots wanting to send cards, letters or care packages directly to troops.

There are numerous non-profit organizations to help support our military. Search the Internet and choose one that you may wish to participate in.
